## GENERAL ROUTINE SUPPORT AT HOME

12 HRS AT RS.800/- PER DAY

We at Global Home Care provide you with the best in class health care at the comforts of your home. Our caregivers are trained, and reliable individuals with their background verified to assure safety. We ensure that our caregivers have no court and criminal records before getting them on board for service. They take care of your loved ones who are recuperating by being their caring companions. Our caregivers are also well-versed with COVID-19 precautions and care.

## ELDER CARE

If you have an elderly loved one who needs support and assistance with daily activities, we give them the care & compassion they deserve. Get our 12/24-hr trained attendant service at home.

## What is Global Home Care 24/7 Nurse at Home Service ?

An in-home round the clock nursing service offers personalized nursing care at home as offered in a typical hospital while being more compassionate towards the patient and gets integrated into the patient's family and develops an emotional bond with the patient and their family. The home nursing services usually entails wound care for pressure sores or surgical wound, patient and caregiver education, Intravenous or nutrition therapy, injections, rehabilitation therapies and monitoring serious illness and unstable health status. You can hire nursing services for 12 hours or 24 hours according to the patient's requirement.

## COVID-19 CARE AT HOME

Global Home Care Isolation Program consists of medical care and advisory services that are required to take care of COVID-19 patients to complete 10 Days of the quarantine period. Our program assists both asymptomatic mildly symptomatic COVID-19 patients, we provide comprehensive counselling to our patients covering Do's & Dont's during the "Home Isolation" period, at the safety and comfort of their home. You are just a call away from an expert consultation through a video/ voice call, who will advise you and monitor all your medical needs remotely.

## PHYSIOTHERAPY AT YOUR HOME

Whether it's a lingering back pain, a frozen shoulder, or a sports injury that you're looking to recover from, you can now get treated in the comfort of your home, by certified, specialized and experienced physiotherapists.

## MEDICAL EQUIPMENT FOR HOME CARE

Getting medical equipment on rent or purchase at your doorstep has never been this convenient. During difficult phases of life, you or your loved one might need to rely on various medical equipment to get back to normal life. Global offers a wide range of medical equipment for rent or purchase making healthcare more accessible and affordable for you.
